A Time For Us

A time for us, someday there'll be
When chains are torn by courage born of a love that's free.
A time for us, someday there'll be
A new world, a world of shining hope for you and me.

A time for us, at last to see,
A life worth while for you and me.

And with our love through tears and thorns,
We will endure as we pass surely through every storm,
A time for us someday there'll be
A new world, a world of shining hope for you and me.

As another year ends the seniors of the Blue Band and the Glee Club have many memories of their last year to take with them.

How well the instrumentalists, majorettes, and color guards remember try-outs!

During the summer months the band participated in various parades and carnival concerts. Then came football season! This kept the band very busy preparing pep assemblies and half-time shows for each game. A highlight of the fall season was Band Day at Penn State in which our Blue Band joined with fifty-nine other bands for a spectacular half-time show. After football season the band was active in Fun'd Night, and they participated in Veterans and Memorial Day services.

A special event for the Glee Club was the Annual Christmas assembly. This performance began their big year.

In the Spring the two organizations presented an Annual Concert to the public, and each group gave a concert preview at the Philipsburg and Osceola Junior Highs. Also the band traveled to West Branch for an exchange concert program.

To top the year exceptional members of both groups were honored by being selected for District and Regional Band and Chorus.

These events bring back many memories for the departing seniors, and they hope that the future seniors of the Blue Band and Glee Club will be just as proud as they are now to have been able to participate in them.

The production staff and advisor wish to thank all those who have helped to make possible the 1971 "Mountaineer". We wish to express our appreciation to the business and professional people listed below for their generous contributions. Without their aid this publication would not have been possible at the present nominal price.

We hope that in the coming years this yearbook will receive the continued support of the business and professional men of Philipsubrg, Osceola and the Area.
